# **NCOTC WINTER TRIAL**

Greetings members!

We have put another awesome trial into the books. I just wanted to take a moment to give a huge thank you to everyone in the club who contributed in any way. There are so many jobs and details to cover to put on a great trial. This club always steps up and makes it look easy. My committee members help keep me sane trying to remember all the details, and everyone that helps getting all the food, ribbons, ring equipment where it needs to be. All the ring stewards were fantastic, our weather Friday was a little iffy and everyone was there on time and ready to go. Darlene and I had dinner with the judges on Friday and Saturday and they had many compliments on our stewards and how well everything was run. Again THANK YOU!!

Tim Cutshall, Trial Chairman

Good Snowy Morning Tim;

Just wanted to take a minute to say thank you for having me be a part of the North St Louis Obedience/Rally Trials over the weekend. I had a great time.

The stewards were fantastic, funny and very personable (especially BJ), food was really good the facility is first rate and of course the friendliness of the club members and exhibitors were awesome. Want to especially thank you for all of your dedication and hard work. I know how much time and effort it takes to put one of these shows on and you were great at getting it all put together.

Please pass on my sincere thanks to everyone that had anything to do with putting these trials on, it was greatly appreciated.

Have a great rest of the day and I hope to be able to join you again sometime in the future.

Bob Burgin

Thank you to all the members and candidates who stewarded for the January trial. Judges really appreciate good, dedicated stewards and the trial cannot function without volunteers. This year I only had to ask four non-members to help fill in because we needed more help. That has to be a record. As Chief Ring Steward, I really feel fortunate to have so many wonderful people to call on for help. Part of being a great obedience and rally trial is the ability to provide wonderful stewards. Thank you.

Ginger Kinion
